## Rules

1. A single driver can buy multiple tech cards on multiple cars but no tech cards will be sold after the start of first round.
  2. Buy backs only if there is not 175 entries in ¼ mile race or 150 entries in the 1/8<sup>th</sup> mile race.
  3. No double entries...no car & driver combo may be entered twice but one driver with 2 cars or 2 drivers with one car are permitted.
  4. All entries are final after 1st round begins unless you are not already in the program or have not already gone down track in the 1st round.
  5. All odd number lanes are left lane. All even number lanes are right lane.
  6. Once you are committed to a lane, you may not pull out unless instructed to do so by a track official.
  7. If you break in the lanes, you must stay and notify a track official.
  8. Buy runs will be picked by best reaction time in the previous round. If you should have to race someone and win by run carries to next round. Does not include ladder rounds.
  9. If driver is running 2 cars driver must have 2 numbers.
  10. Dial in must be posted 3 pairs back from head of staging.
  11. Dial in is a driver responsibility! Driver must check on dial in displays and down track to make sure dial in is correct.
  12. All rounds will be called in sessions by run card. Do not come to the lanes unless your number is called, we will check cards.
  14. Timing system: Compulink Cross Talk.
  15. NO DOWN TRACK STUTTERS / NO DATA RECORDERS / NO DIGITAL DISPLAY / NO CAMERAS / NO TRACTION CONTROL.
  16. All cars subject to inspection. Failure to cooperate may result in disqualification.
  17. Sunoco Run for the Money will be collected in staging lanes.
- NO REFUNDS!
